CHAPTER 99

HINDSIGHT

Donna Dunlap was recruited as a Company agent but fell into allegiance with a force known as Evs Dropper who was working to bring down the Company. Donna severed her ties with Evs but the damage was already done. Evs Dropper has been responsible for several agent deaths, including Patterson, Bianca's partner. Gael and Bianca learned that Patterson's death came at the hands of "The German", a special who had been given Company Files by Evs.
